To Whom It May Concern,

It is my pleasure to offer this letter of recommendation in support of Lisette Agüero Peña, Director of Art Dance Academy, and the exceptional work she and her school contribute to the arts and community.

Art Dance Academy has been a long-standing and highly valued partner of the Downey Theatre. Over the years, Lisette has consistently demonstrated outstanding leadership, professionalism, and dedication to artistic excellence. Her school's productions are thoughtfully planned, well organized, and executed with care and respect for both the venue and the broader community they serve.

As a director, Lisette leads with clarity, warmth, and intention. She fosters an environment that prioritizes discipline, creativity, and collaboration, while also encouraging her students to share joy through their art. Her ability to balance high artistic standards with a welcoming, community-centered approach is reflected in the quality of her students' performances and their strong connection with audiences.

Art Dance Academy plays an important role in our local arts landscape. The school is deeply committed to cultural expression, community engagement, and creating meaningful opportunities for young artists to grow, perform, and connect. Their work consistently brings people together and contributes to the vibrancy of the community.

Lisette and Art Dance Academy are a pleasure to work with and exemplify what a community-focused arts organization should be. I wholeheartedly recommend them and am confident that they will continue to make a positive and lasting impact wherever their work is shared.

Please feel free to reach out if any additional information is needed.

Signed,

Jason Chacon
